

# WARRANT OUT FOR POLICE CAPT. COONEY

Long Island Saloonmen Bring Complaints of Oppression Against Precinct Commander and Other Policemen—Oppression Is Charged.

ISSUED BY MAGISTRATE ON SUPREME COURT ORDER.

Magistrate Smith at First Refused to Grant Warrants, but Justice Garrison Ruled that He Must Issue Them Since Complaints Were Regular.

Warrants were issued at noon for the arrest of Capt. John Cooney, of the Long Island City police, and for Detectives Pendergast, Donnelly and Kennedy on the charge of oppression, preferred by Charles Schmidt, owner, and Joseph Lally, manager of the saloon at No. 29 Borden avenue.

It is said that fourteen other warrants will be sworn out by the saloon men, who resent the high-handed manner in which Capt. Cooney and his men have been acting ever since the captain received a letter from Police Commissioner Greene a month ago complimenting him on a raid made on a pool-room over the Lally saloon.

As a result of this raid seven men have been indicted by the Queens County Grand Jury.

According to Schmidt, who lives at No. 141 Currier street, Brooklyn, and who owns the saloon, Cooney and his detectives and policemen have entered the place at all hours of the day and night in an alleged search for an alleged pool room.

Both Schmidt and his manager, Lally, say the policemen from patrolman to captain have insulted and abused the customers every time they entered the place. The saloon men have authority for the statement that Capt. Cooney said:

"If either of these men open their heads while any of you are here, look them up."

Schmidt went before Magistrate Smith and asked for warrants for the arrest of Capt. Cooney and his three detectives. He made a complaint in due form and the Magistrate refused to issue warrants on the complaint.

Then the owner of the saloon and his manager went before Supreme Court Justice Garrison and stated their case. The Justice informed Magistrate Smith he must issue warrants on complaint and that it was his duty to listen to all complaints.

Not until then did the Magistrate issue the papers. Cooney and his men will be arraigned to-morrow morning. If Schmidt and Lally keep their word about having the rest of the Long Island City force arrested on charges of oppression, Acting Commissioner Elstein will be forced to send over a new detail to do duty in the town.

Before the reform administration took charge of affairs, Cooney was wardman for Chief Devereux. Detective Sergeant Kennedy was brought up a month ago on a charge of disorderly conduct and is out on peace bonds of \$1,000 for six months. If found guilty on the charges made by Schmidt and Lally, he will either have to forfeit his bond or go to jail.

## BOAT FOUND ADRIFF; OCCUPANTS MISSING.

No Trace of the Young Man and Two Women Who Left Oyster Bay.

OYSTER BAY, L. I., July 14.—Added mystery surrounds the fate of a young man and two young women who started out for a row in the bay eight days ago, for the boat was found yesterday, but with no trace of its occupants.

Frank Johnson found the boat adrift, right side up, in the water and bobbing about, and down against the stone wall of the E. C. Benedict property at Cove Neck. The anchor was out and the 45-lb. line in the bottom of the boat.

It is positively asserted that Sunday the boat was not where it was found yesterday.

## GIRL FALLS FIVE STORIES AND LIVES.

She Tumbles off a Roof, Where She Had Gone to Sleep, and Gets Only Broken Leg.

Rabbi Barason fell from the roof at No. 324 East One Hundred and Seventh street, to the pavement of the rear yard, five stories, early today. The young woman was visiting relatives next door, having come from Trenton, N. J., two days ago. She is supposed to have gone to the roof to sleep last night.

The clothes lines which have saved so many lives by breaking falls among the tenants of this old service in this building, saved the young girl, after striking against them, fell on a fence, which was broken down. When neighbors picked her up it was found that her only injury was a fracture of the left leg. She was taken to Harlem Hospital.

### The Depositors' Account Department.

We have a Depositors' Account Department where you may deposit as much or as little as you please. You get four per cent. interest, as against the usual three or three and a half per cent. You withdraw your money any day—without a minute's notice. There is no banking business, no drawing of cheques to tempt you to spend the money at random. Whatever you buy at Macy's can be charged up to your account and a monthly statement is rendered to you.

Thus you combine the conveniences of a credit system with Macy's low cash prices, and you get four per cent. on your money besides.

Get the details at our credit department in our new great store, 34th to 35th street, on Broadway. Write a letter, or, better, visit and examine the marvellous and greatest of American retailing enterprises, the original department store, and now the greatest retail enterprise in the world.

Let the wise housewife, the conscientious, sensible mother think over this proposition:—Various sums are received for household use. Sometimes the money comes from rents, mortgages, stocks, in the shape of dividends. More often it comes as wages or salary.

That money can be deposited with Macy's and draw interest from the moment it is deposited. As goods are actually required they can be purchased and charged to the account. Every dollar that is not spent is always drawing interest.

And at Macy's everything can be purchased, and everything of the highest quality, and at less expense than elsewhere.

We instituted our cash system for the benefit of our best customers, the provident, far-seeing, who pay as they go. Such customers will always be customers, and we think of them in all our plans, giving the best inducements in quality and price. As a further benefit for such permanent custom we have instituted this credit department. There your money draws compound interest; it settles your bills. It literally works for you while you work at home or shop at the world's greatest store.
